

Permanent Shade Structures

FOR COMFORTABLE OUTDOOR SENIOR LIVING

**Heartland**
Pergolas

Your residents deserve the best

 **SHADE** for comfort & protecting sensitive skin. Choose the shade level to best suit your residents.

 **SAFE** engineered approved design. Made with commercial grade vinyl and aluminum inserts.

 **CUSTOMIZABLE** for the perfect fit. Custom build options available and all pieces are trimmable on-site for precise fit.

 **EASE OF INSTALL** 1-2 days to complete the project. Install with your own on-site maintenance crew or hired contractor.

 **TIMELESS DESIGN** is a perfect fit for a variety of outdoor aesthetics. Custom caps and pergola styles to complete the look.

 **LOW MAINTENANCE** structure. Little maintenance is ever needed, yet the structure is built to last decades.
